

1. What are the names and NetIDs of all your team members? Who is the captain? The captain will have more administrative duties than team members.
 - a. Harry Chen => NetID: hchen223 => Captain
2. Which competition do you plan to join?
 - a. Text Classification
3. If you choose the classification competition, are you prepared to learn state-of-the-art neural network classifiers? Name some neural classifiers and deep learning frameworks that you may have heard of. Describe any relevant prior experience with such methods
 - a. Yes, I am prepared to learn state of the art neural network classifiers. Some classifiers and frameworks I have heard of include SVM, perceptron network, Logistic regression classifiers, Deep neutral neural network classifier. I've has experiences with svm's in the past and look forward to learning more about other classifiers.
4. Which programming language do you plan to use?
 - a. I plan to use python
